C + P makes it easy for you!

- Color group 0 is available at no additional charge
- The additional charges for color groups I and II are listed in the table below
- You will find the color surcharge code number (CSC) for the product in the ordering table at the front of the catalog

If you opt for two color coatings (different colors for body and fronts):

The color surcharge is based on the <u>body</u> coating

That means:

- You can easily calculate the color surcharge based simply on the body color
- More than 100 colors and color combinations are available at no additional charge!
